GETTING THERE 🚗

By car

Access via the A-6 or M-503 towards Pozuelo de Alarcón.

Enter through the La Finca / Somosaguas.

By metro

Metro Line 10 to Colonia Jardín, transfer to Light Rail ML-2 towards Aravaca, get off at Somosaguas Centro and walk approximately 10-15 minutes.

By bus

From Moncloa Interchange take routes 562, 564, 658 or 658A.
The nearest stop is Paseo Finca - Solano, 2 minutes from the venue.

NEARBY HOTELS 🏠

Hotel La Finca****

3 min walking.

Eurostars I-Hotel ****

5 min by car.

CHECK LIST ✅

- ✓ **Logo** for backdrop. (Deadline: **July 31st**)
- ✓ Submit content for **playbook**. (Deadline: **September 1st**)
- ✓ Inform the organisers if you plan to send materials to the event.
(Deadline: **September 1st**)

BEFORE THE EVENT

PREPARING YOUR MATERIALS

Each manufacturer will be allocated an **exhibition space** of approximately **2x3m**. The package includes **one table** (0.8m wide x 1.5m long x 0.70m high), **2 chairs**, **one electrical connection** and **WiFi access**.

Each **exhibitor** will have a **150 x 200 cm backdrop** featuring the event graphic together with the company logo. Please send your **company logo in vector format** to eventosrs@rs.rsgroup.com before **31/07/2026**.

Should you have any special requirements, please inform us before **01/09/2026**.

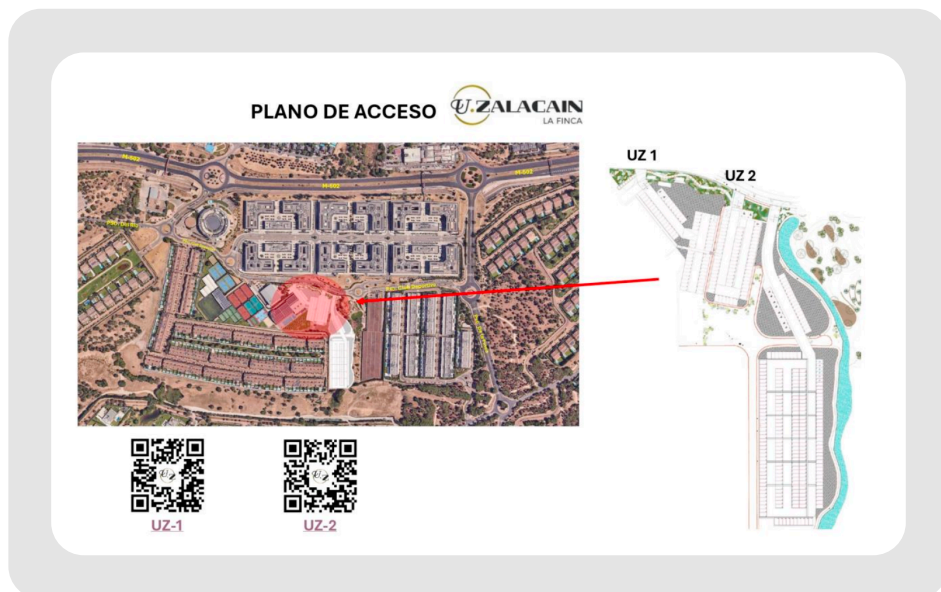

SET-UP

Set-up day:
October 7: 15:00 - 18:00h.

Event day:
October 8: 08:00 - 09:00.

PARKING

The venue has two parking areas: an underground car park and an outdoor parking area next to the garden.
P.º Club Deportivo, 4, 28223 Pozuelo de Alarcón, Madrid, Madrid.

MATERIAL ENTRY AND EXIT

Main entrance

The main entrance includes a **large parking area** next to the garden access gate where attendees can park and where loading and unloading operations will take place.

To ensure efficient installation, all exhibitors must communicate their expected unloading schedules in advance. Access for trucks and vans will be managed on a staggered basis. Only one loading vehicle will be allowed at a time to avoid congestion.

Parking for loading and unloading

The **UZ1** loading and unloading area allows truck access during the set-up day. No unloading operations are permitted on the event day. Vehicles may wait inside the parking area.

Small packages may enter through the main entrance. **Large items** such as pallets may use the freight elevator or dedicated loading area. Standard pallets fit without issue.

A service entrance allows pallet transport to the main hall through a small access ramp. An elevator connecting all floors is available at one end of the main hall.

SHIPPING MATERIALS TO THE VENUE

- Exhibitors must inform the organisers of all materials being shipped to Uzalacain.
- Materials can only be received on October 6th and 7th between 10:00 and 18:00.
- All shipments must be left in the upper hall, which will be used as a storage area. The venue does not transport materials and does not provide trolleys.

MAPA DEL ESPACIO

DURING THE EVENT

1

CONNECT&GO SESSIONS

The event has been designed to prioritise the quality of interactions.

RS attendees will visit exhibitors according to a planned schedule to maximise relevance and business value.

The agenda combines business meetings with breaks and preparation time between sessions, creating a dynamic, balanced and productive experience

2

CONNECT & FUN

After Connect & Go, and to bring the day to a close, we will enjoy an **afterwork** gathering, providing the perfect opportunity to relax and celebrate the day's achievements.

The afternoon will continue with an **interactive team activity** designed to strengthen collaboration in a fun, engaging, and energetic way.

To round off the event, we will celebrate the **RS Awards Ceremony**.

3

RS AWARDS

Once the team-building activity has concluded, we will move on to the **RS Awards** ceremony. This year's edition will feature three award categories:

- 🌟 **For a Better World**
- 🌟 **One Team**
- 🌟 **Making Amazing Happen**

AFTER THE EVENT

1

DISMANTLING

October 8: 20:00 .22:00h.

2

MATERIAL COLLECTION

Once the event has concluded, dismantling operations will begin.

Before the start of Connect & Fun, exhibitors will have approximately 15 minutes (from 17:15 to 17:30) to collect and organise their materials.

All stands must be fully dismantled and cleared within the designated dismantling period, from 20:00 to 22:00.

3

SATISFACTION SURVEY

Once the event has concluded, you will receive a **satisfaction survey**.

Your **feedback is extremely valuable to us**, so we encourage you to complete it.

Your responses will help us continue improving and delivering even better networking and collaboration opportunities in future editions.
